RE: Docket No. FV03-925-1PR Federal Register Vol.70, No. 100, Page 30001 Grapes Grown in a Designated Ares of Southeastern California and Imported Table Grapes; Proposed Change in Regulatory Period COMMENTS IN OPPOSITION TO PROPOSED CHANGE

Dear Docket Clerk

AGRICOLA MEREX CHILE LTDA, opposes the above referenced change in the effective date of Table Grape Marketing Order 925 and the companion Table Graps Import Regulation 4 that will further restrict table grapes supplied from Chile. AGRICOLA MEREX CHILE LTDA is in the business of exporting Chilean agricultural commodities, and ships approximately 48.500 of fresh table grapes to the U.S. during the months of January through April

AGRICOLA MERKX CHILE LTDA concurs with, and incorporates herein by reference, the detailed comments and supporting data submitted by ASOEX, the Chilean Exporters Association. Specifically, AGRICOLA MEREX CHILE LTDA, urges the agency to reject the proposed change in the regulatory period because

The Proposed Rule imposes marketing order standards on Chileen supplies when no domestic varieties are available, and therefore constitutes a non-tariff barrier contrary to the terms of WTO Agreements and the U.S.-Chile Free Trade Agreement.

> The Proposed Rule assesses inspection fees starting April 1 when no domestic supplies are being so charged, and thereby violates Article III and Article VIII of GATT 1994.

The change in date from April 20 to April 1 will create an artificial shortage of table grapes since there is no other commercially significant

and reliable supply from any source other than Chile.

The Chilean grapes supplied from April 1 to the carliest commercially significant supplies of grapes from Coachella Valley in California meet marketing specifications from retail chains that are more stringent in some respects than the marketing order requirements.

The proposed change cannot be validly based on a 20 year-old survey of б.

cold storage practices.

The proposed change can not be justified under the criteria established by 7. the AMAA for a change in the beginning effective date of Marketing Order 925 or the companion Table Grape Import Regulation 4 in view of the record prices received by Coachella Valley growers in the last two ACASONS.

Respectfully submitted,

ACRECOLA MEREX CHILE LTD.
